# Spring Cypress Swim Team

The Spring Cypress "Stingrays" swim team is a non-profit summer swim team organized in January of 2000. A member of the Northwest Aquatic League, the Stingray Swim Team practices daily from May through the beginning of July. We compete with other swim teams in our division each Saturday. Swimmers also have the opportunity to swim at Divisionals and city-wide Invitational meets.

This activity promotes strong kids, focusing on team spirit and healthy competition. Over two hundred children ages four to 18 swim on the Stingrays team. Their parents must volunteer their time and talent to support the

team. There is a tremendous amount of work involved in running the team, which makes truly a parent and child activity.

All funds collected go directly to helping our young swimmers. We purchase equipment to hold swim meets, supplies, awards, ribbons, stop watches, kickboards, flags, etc. We also fund fees, dues, memberships, insurance and coach salaries.

This is an opportunity to support your community and receive maximum exposure during the upcoming Summer months.
